

# Make Today Your Masterpiece

Use time prudently-each day, each hour, each minute!

Winning each and every day is how we reach our ultimate goal of being successful. ONE DAY AT A TIME!

1. **Attitude:** Have a great one every day. We are all either giving energy or taking it away. A team full of great attitudes has a great chance to be successful.
2. **Activity:** To produce real results activity must be organized and executed meticulously!
  - a. Failing to prepare is preparing to fail. How we practice is how we play. We all have the same amount of time, what we do with that time determines our level of success.
  - b. Don't mistake activity for achievement. Organization and preparation are vital keys to success. We must understand that our activity must be organized and executed meticulously otherwise it is just like a bunch of children running around on a playground, lots of activity but no achievement. To us activity must produce real results.
3. **Effort:** Give your best at everything you do on a daily basis.
  - a. Give 100% effort. You can't make up for a poor effort today by giving 110% tomorrow. You don't have 110%. You only have 100%, and that is what we want right now.

The beauty is we control these things. Have a great attitude. Be organized and prepared. Give your best effort. Do these things throughout the day in everything we do and we will have made the day our Masterpiece!

Making each and every day our Masterpiece will lead to **continuous growth**. **Continuous growth** throughout the season will allow us to **be at our best when our best is called upon in the post season**.

Making each day your Masterpiece is fun! In order to appreciate true joy and fun one must accomplish something truly difficult and worthwhile. Anything worth-while in life is hard. It should be hard otherwise everyone would do it. It is also best when accomplishing something with those you love. This is why we define fun as everyone working together, as hard as they can, with a positive attitude to achieve a common goal. That is fun!
