Yankton Buck Basketball

2018-2019

Philosophy: Basketball is a tremendous learning experience that teaches young people valuable life lessons. Our basketball program is based on a simple philosophy: **all players** in the program will be members of a **successful** team and program with the goal of making them better young men.

“**Success** is peace of mind which is a direct result of self-satisfaction in knowing you made the effort to become the best of which you are capable.” John Wooden

"THE RISE UPWARDS CAN BE DIFFICULT, SURELY SETBACKS WILL OCCUR, BUT RESILENCY WILL LEAD YOU TO THE TOP."

"WE MUST ACT LIKE CHAMPIONS EVERYDAY IF WE WISH TO BE CHAMPIONS SOMEDAY."

Philosophy: Basketball is a tremendous learning experience that teaches young people valuable life lessons. Our basketball program is based on a simple philosophy: all players in the program will be members of a successful team and program with the goal of making them better young men.

“Success is peace of mind which is a direct result of self-satisfaction in knowing you made the effort to become the best of which you are capable.”

- John Wooden

How do we reach our goal of being successful? By **making today our masterpiece.**

Make Today Your Masterpiece: Use time prudently-each day, each hour, each minute!

-John Wooden

Winning each and every day is how we reach our ultimate goal of being successful. This is how we RISE to our goals.

1. **Attitude: Have a great one every day.** You can't control everything that happens to you but you can control how you react to what happens to you.
 - a. Positive, Mindset, Outlook, Maturity, Kindness
2. **Activity: To produce real results activity must be organized and executed meticulously!**
 - a. Failing to prepare is preparing to fail. How you practice is how you play. We all have the same amount of time, what we do with that time determines our level of success.
 - b. Don't mistake activity for achievement. Organization and preparation are vital keys to success. We must understand that our activity must be organized and executed meticulously otherwise it is just like a bunch of children running around on a playground, lots of activity but no achievement. To us activity must produce real results.
3. **Effort: Give your best at everything you do on a daily basis.**
 - a. Give 100% effort. You can't make up for a poor effort today by giving 110% tomorrow. You don't have 110%. You only have 100%, and that is what we want right now.

The beauty is we control these three things. If we have a great attitude and give our best effort on everything we do throughout the day, then we have made the day a masterpiece. This will also lead to **continuous growth**. Continuous growth will allow us to be at our best when our best is called upon in the post season.

We define fun as everyone working together, as hard as they can, with a positive attitude to achieve a common goal. That is fun!

OUR GOLDEN LIST

OUR GOLDEN LIST: PLAYERS WHO STARTED PLAYING AS FRESHMAN AND FINISHED THROUGH THEIR SENIOR YEAR WITH THE BUCKS

2012-2013: Michael Rucker, Andrew Hummel, Kellen Soulek, Sam Wendte, Zach Benjamin

2013-2014: JJ Hejna, Ryan Olson, Lane Sawatzke, Mitch Gullikson, Chipper Granflatten

2014-2015: Brady Hale, Evan Greeneway, Matt Fitzgerald, Austin Johnson, Sam Bisgard, Luke Rockne

2015-2016: Reid Sawatzke, Tanner Frick, Bradey Sorenson, Blake Savey, Keenan LaCroix, Syd Boots

2016-2017: Nate Stephenson, Justin Leader

2017-2018: Jack Wolfgram, Casey Krejci, Cameron Krejci, Ben Jurens

2018-2019: Rex Ryken, Owen Feser, Miles Carda, Cole Sawatzke, Kieren Luellman, Justin Cap

YHS BASKETBALL FAMILY: WHY DO WE COACH? BECAUSE IT IS MORE THAN JUST A GAME

YHS Basketball. It is more than just a game. Hate when people tell me don't take it so seriously "it is just a game." It is not just a game! City league basketball is just a game. There is nothing invested in it other than showing up one hour a week and playing a game. Investing hours into every week and month for years along with building relationships with players, parents, coaches and patrons makes basketball in Yankton way more than just a game.

Basketball is a way of life to us; our program is family. We use basketball to teach life lessons to the kids we love. It is teaching kids we love that caring about something more than yourself and working for something greater than yourself is a good thing, nah, a great thing. It is teaching them that working hard is very rewarding and anything worthwhile in this life will take hard work to attain. Learning things like responsibility, accountability, communication, humility and maturity just to name a few. These are things that we develop on a daily basis through the game of basketball. Because if you don't have these things you don't win games. Don't get me wrong, it is not all about winning, but rather trying your best to win. Because if you try your best to win it means you are becoming a better person and learning how to win in the real world. That will make our players good husbands, fathers and citizens one day, and that is the point of the whole thing, that is winning! The game of basketball allows us to have a program that makes our players better people and prepares them for things they will face in the real world. But we don't accomplish anything by trying to be buddies with them. That is not our job. We firmly believe that discipline is the greatest form of love. Just like with our own children at home, we are not here to be their friend. We are here to make sure they know the difference between right and wrong and prepare them as best as we can to handle the real world on their own. Hopefully, someday down the road when they are successful in life we can meet up again and be friends. We find those relationships very rewarding!

So the day we go into the locker room after a game and tell our guys "it's ok don't worry about it, it is just a game," is the day we will get out of coaching. If the guys see that it doesn't mean the world to us, we will have lost them and will no longer be able to help prepare them for the world ahead of them.

We love coaching in Yankton because we get to start a relationship with our players when they come to camp as 1st graders. We get to see them go from children to boys to men. This list means the world to us. These are our guys! Guys that we cared deeply about when they played for us and still care about today. We hope with all our heart for the best for each and every one of them as they move forward in life. These kids are why we coach. These kids are why basketball is more than just a game to us. These kids are why basketball is a way of life for us.

6. COMMUNICATION

Talk	Honest
Friendships	Leadership

7. CONSTANT IMPROVEMENT

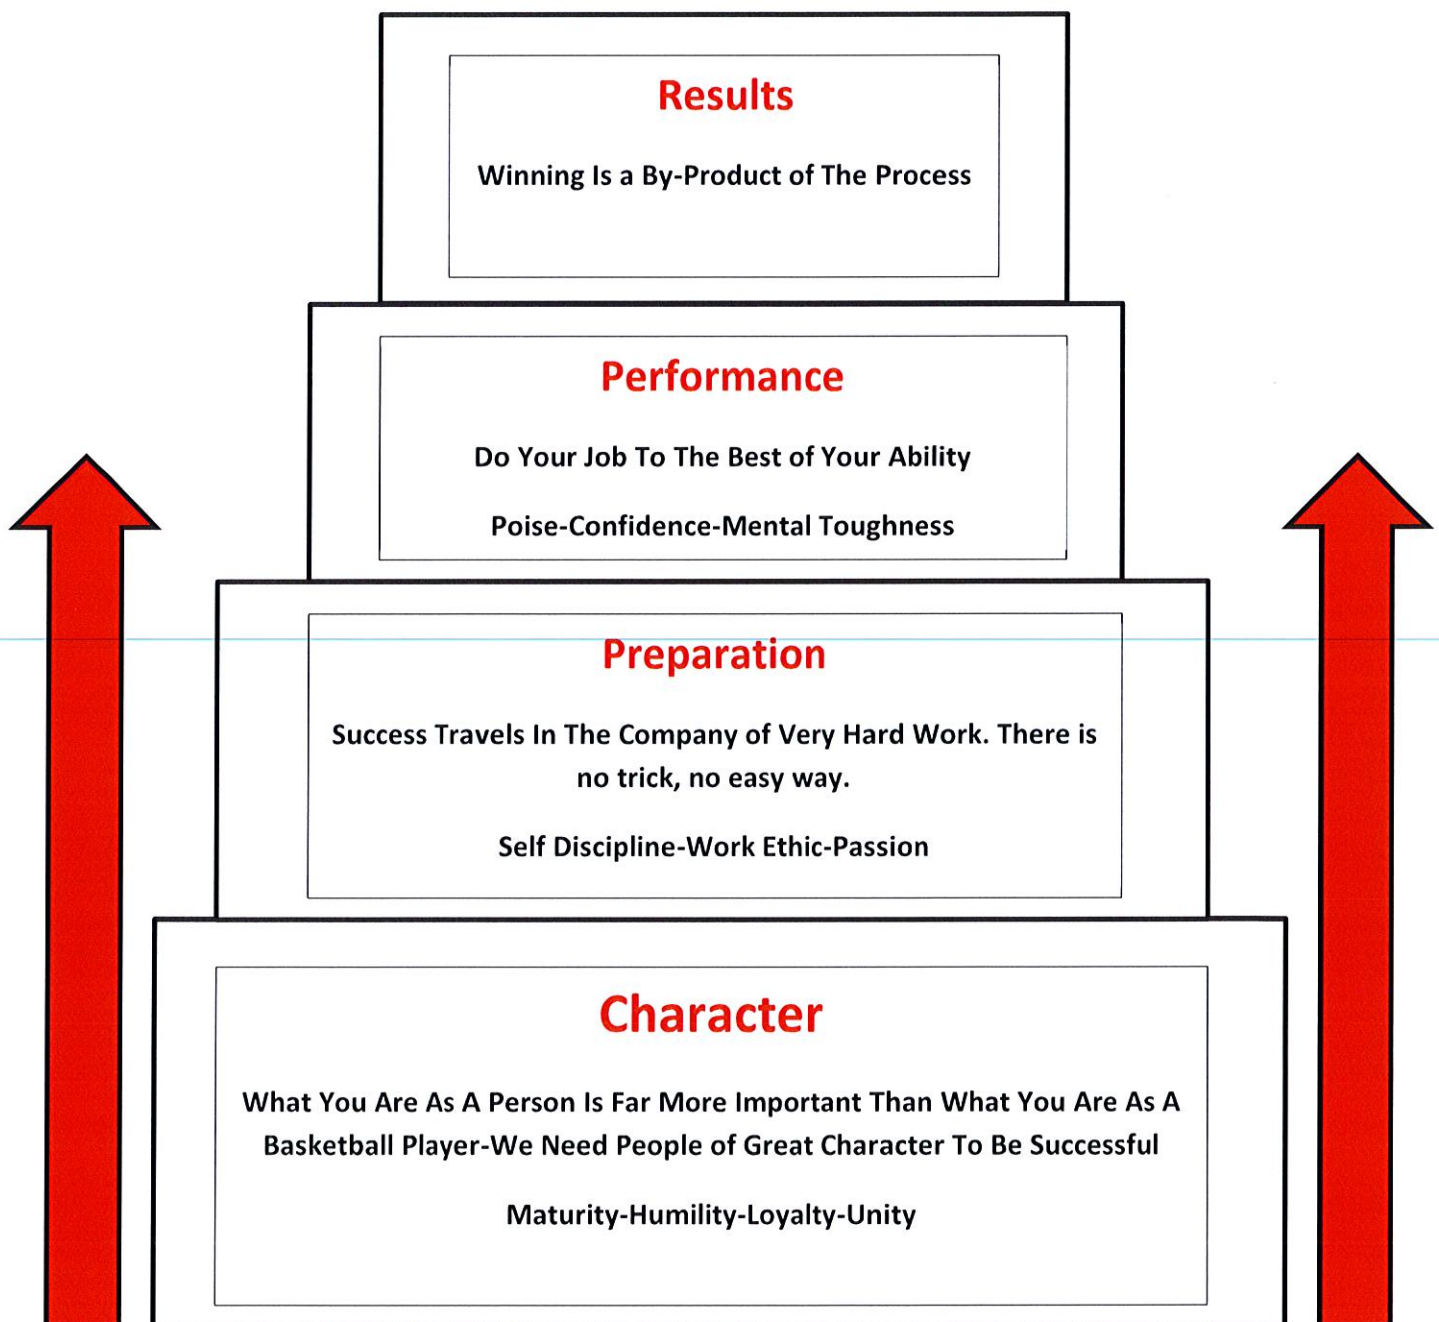

Sense Of Urgency	Attention To Detail
Mindset-Buying In To Program	Off-Season Work
Weight Room	Warm-Ups

The Yankton Buck Way On The Floor

Mission: Is to compete to win each game one possession at a time.

We are not going to talk about what we are going to accomplish, we are going to talk about how we are going to do it.

It is not the end result. Don't think about winning the ESD championship. Don't think about winning the state championship. Think about what you need to do in this drill, on this possession, in this moment. That is the process; let's think about what we can do today, the task at hand.

BUCK BASKETBALL

"HAPPINESS BEGINS WHEN SELFISHNESS ENDS"

DON MEYER

Before-During-After Games

Home Games: Game dress during the school day. Arrive at gym at least an hour before we are scheduled to play. Wear travel gear in the gym when not in uniform. If shooting around be in game shorts and game warm-up.

Road Games: Wear game dress during school unless otherwise noted by coaches. Wear travel gear on the bus. Have all work made up and be on the bus at load time. Double check to make sure you have everything (Jersey, warm up, shoes, etc). Bus ride should be quiet. Prepare yourself mentally for the game. Read over your scouting report and watch game film.

Exit the Bus: Always pick up trash, bus should be clean. Tell the bus driver "Thank you"

Prior to Game: Sit together when your game is not going on. Pay attention and cheer on your teammates. Never react to the officials or the other team.

Stand at attention with your hand over your heart during the national anthem. Give our country's flag the proper respect it deserves. Run out of locker room to take floor before game and half time (one of my pet peeves is when teams walk out) Get a good warm-up. Be intense and talking. Talking will get you ready to play.

During Game: Jersey will be tucked in at all times.

If a teammate makes a hustle play, sprint over and help them up.

Positive leadership, coaches will do correcting, you just be encouraging.

Positive body language (no eye rolls, clown faces, or shoulder shrugs will be tolerated).

You will raise hand when you foul.

When exiting the game, sprint off the floor, slap five with teammate and tell them who you are guarding.

Sit in the seat closest to the coaches for any feedback.

Look coaches in the eye when they talk to you...Be coachable.

Be active and engaged on the bench.

Huddle during timeouts. Listen and pay attention to what coaches are saying.

Have water and towels ready for subs and for timeouts.

After Game: Shake hands and show great sportsmanship whether we win or lose.

Pick up the bench area. No cups/warm ups/towels/etc...

Do not start undressing until after coaches have spoken to you.

Locker room should be clean – no tape, clothes, trash, etc...

Shower and get your clothes on before leaving the locker room.

Represent the community of Yankton, Yankton High School, Bucks Basketball, Your Family, and Yourself in the most positive way possible.

Buck Basketball

“Control the Controllables”

“Focus all your effort on what is in your ability to control.”
-John Wooden

Things Within Your Control (the “Controllables”)

-Attitude (positive thoughts and visualization + focused practice = Optimal Performance)
-Effort (blue-collar, “farmer’s work ethic”)
-Preparation (“luck is what happens when preparation meets opportunity”)
-Energy/Hustle (“it takes no talent to hustle”)
-Approach/Focus/Mindset (“compete in the present moment,” proactive vs. reactive)
-How you Respond to Failure (resolve, body language, “get comfortable with being uncomfortable”)

Things Out of Your Control

-Opponent (ranked #1 or #101)
-Performance of Opponent (do not let the scoreboard determine the way you play...compete)
-Calls From Officials (“control your emotions or they will control you”)
-Where you Play (no excuses)
-Doubters (do not let an “outsider” negatively influence you)
-Injuries (for injuries that cannot be prevented or avoided, focus on what you can control to heal and recover)

“You cannot control what happens to you, but you can control how you respond to what happens to you.”
-Viktor Frankl

2018-2019 Season Highlights

After being named the preseason number 1 team in the state the Bucks went out west opening weekend and defeated Spearfish 79-32 Friday night and Rapid City Stevens 56-42 on Saturday afternoon.

Defeated Brandon Valley in the *Sanford Pentagon Throwback Classic* game at the Sanford Pentagon in Sioux Falls by the score of 62-60 in OT. Rex Ryken hit a put-back at the buzzer for the game winner! The win completed the two year sweep of the Lynx in the Throwback Classic series between the two teams.

On December 20th the Bucks dropped their 2017-2018 State Championship Banner before playing the Harrisburg Tigers. The Bucks went on to defeat the Harrisburg Tigers by a final score of 68-59.

The Mike Miller Classic received a new name and is now called the Hoop City Classic. Once again the Bucks were invited to play in two games. After bad weather caused some teams to back out of the classic, the Bucks schedule was altered. On night one, in the Corn Palace, the Bucks took on Dominican Wisconsin, a team that featured Alex Antetokounmpo, whose brother is one of the best players in the NBA playing for the Milwaukee Bucks. The Bucks played one of their best games of the year and won the game by a final of 72-52. The following night the Bucks took on DeLaSalle in the Gary Munson Tournament Championship Game. It was a rematch of the previous season in which DeLaSalle won by 4. This time the Bucks were not going to be denied as they defeated DeLaSalle by a final score of 71-65 in OT. DeLaSalle went on to win their 7th state title in 8 years in their class in Minnesota. The Bucks went into Christmas Break 7-0 and still ranked number 1.

After dropping their first game of the year at home to #2 Sioux Falls Lincoln the Bucks bounced back in a big way by defeating #3 Huron 66-60 in Yankton. Sophomore Matthew Mors once again broke his single game scoring record with 45 points in the game!

The Bucks won their last 4 regular season games, highlighted by a win over Saint Thomas More on Senior Night. In that game, Owen Feser was able to hit a runner in the lane to tie the game and send it into overtime. The Bucks went on to win in overtime for the third time of the season. The Bucks finished the regular season with a 16-4 record and the number 2 overall seed for the SoDak 16 Tournament.

Yankton drew an ESD foe in the Pierre Governors in the SoDak 16 first round. Behind another huge home crowd, the Bucks were able to race out to an early lead and never look back beating the Gov's 74-33 and punching their ticket to the state tournament for a second straight year.

In the first round of the state tournament the Bucks once again drew an ESD opponent, this time in the Huron Tigers. After a slow first half which found the Bucks trailing 17-20, the Bucks exploded in the third quarter outscoring the Tigers 27-6 propelling the Bucks to a 62-42 win. Cooper Cornemann scored a career high 29 points in the game!

The Bucks dreams of defending their state title came to an unfortunate and devastating end in Friday night's semifinal round against Sioux Falls O'Gorman. Both teams played extremely hard and points were hard to come by. Matthew Mors made two clutch free throws to put the Bucks ahead 42-41 and after a timeout by the Knights the game came down to the last 6 seconds. The Bucks played great defense and did not allow O'Gorman to get a shot off in time-however the ref wrongly awarded the last second shot to count after the buzzer thus eliminating the Bucks championship aspirations. The Bucks went on to get 4th place in the state tournament, losing the next afternoon to Harrisburg 70-64 in overtime.

Matthew Mors and Cooper Cornemann were named to the All-Tournament Team and our Yankton Cheerleaders won the Spirit of 6 Award for the first time since 1973!
