[REGISTER HERE](#) with the Yankton Parks & Recreation

LOCATION: Yankton High School Main Gym **DIRECTOR:** Coach Chris Haynes

STAFF: Yankton Buck Coaches & Alumni **ELIGIBLE PARTICIPANTS:** Boys 1st-8TH GRADE (Fall of 2023)

The Buck Basketball Academy was started by Coach Haynes and staff to promote the YHS Buck's way of playing the game of basketball. Skills and fundamentals will be taught at the same time the players are learning the Buck offense and defense that the high school teams run. Drills will be used to reinforce the skills while simultaneously incorporating the high school offense and defense. These same skills and drills are used on a daily basis at all high school practices. Coach Haynes views this Academy as a staple in developing the program and getting basketball players in Yankton ready to be high school players. The Academy is open to all boys who have an interest in playing basketball.
