The Buck Basketball Academy was started by Coach Haynes and staff to promote the YHS Buck's way of playing the game of basketball. Skills and fundamentals will be taught at the same time the players are learning the Buck offense and defense that the high school teams run. Drills will be used to reinforce the skills while simultaneously incorporating the high school offense and defense. These same skills and drills are used on a daily basis at all high school practices. Coach Haynes views this Academy as a staple in developing the program and getting basketball players in Yankton ready to be high school players. The Academy is open to all boys who have an interest in playing basketball.

The middle school fall academy is a great opportunity to get a jump start on the middle school basketball season.
